**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Comcast was terrible service provider. I like the idea of having options. That's pretty simple. I ask that the FCC stand up for consumers and sensible digital infrastructure. The FCC's mission is quite clear on this topic "Promoting competition, innovation and investment in broadband services and facilities"

Broadband competition is important to me as a voter as is net neutrality.
